**Teaching Approaches:** Development in SMSC will take place across all curriculum areas, within activities that encourage pupils to recognise the spiritual dimension of their learning, reflect on the significance of what they are learning and to recognise any challenges that there may be to their own attitude and lifestyle. Class discussions will give pupils opportunities to:

- Talk about personal feelings and experiences
- Express and clarify their own ideas and beliefs
- Speak about difficult events such as bullying or death
- Share thoughts and feelings with other people
- Explore relationships with family, friends and others
- Consider others' needs and behaviour
- Show empathy
- Understand and respect children's rights
- Develop a sense of belonging
- Develop the skills and attitudes that enable pupils to develop socially, morally, spiritually and culturally – e.g. empathy, respect, open mindedness, sensitivity, critical awareness etc.

**Inclusion and Equal Opportunities:** We develop an ethos where everyone feels valued, celebrating individuality and striving for everyone to reach their full potential. We believe that all children can succeed and support a wide range of needs in both main school and the Base. We celebrate cultural diversity and make all learning relevant by linking it to the context of our school and children.

**Planning for SMSC:** Many curriculum areas provide opportunities to:

- Listen and talk to each other.
- Learn an awareness of treating all as equals and accepting people who are physically or mentally different.
- Agree and disagree.
- Take turns and share equipment.
- Work co-operatively and collaboratively.

Teachers actively promote opportunities to develop SMSC in both academic and non-academic activities.

### **How do we assess our SMSC provision?**

Provision for SMSC will be monitored and reviewed on a regular basis. This will be achieved by:

Monitoring of long term planning.

Audits of: staff skills/SMSC opportunities/SMSC provision

Pupil and parent voice questionnaires.

Audit of policies and Schemes of Work.

Sharing of classroom work and practice.

Regular inclusion on the School Improvement Plan.

Carrying out a regular self-review using an online self-assessment tool (The National SMSC Quality mark).

**Resources in SMSC:** All curriculum areas should seek illustrations and examples drawn from as wide a range of cultural contexts as possible.

**CPD in SMSC:** Delivered by SMSC lead, external advisors, independent reading and virtually.

**School Governor Role in SMSC:** There is a link governor allocated for the oversight of SMSC – **(Governor Name)**. Key documents/action plans are shared when updated and regular meetings are held with the link governor.
