

Fellgate Primary School

Volume 18, Friday 3rd February 2023

Dear Children, Parents, Carers and Governors,

This week our phrase of the week was **Talk about it!** This week we learnt about E-safety. About the positive and negatives of using the internet and how we can keep ourselves safe. Please see the following link for further guides and resources for parents and carers.

Safer Internet Day is a great opportunity to focus on online safety with your child, whatever their age. The UK Safer Internet Centre have created a range of pages to help you start a conversation with your child, whatever that may be about and no matter how much time you have:
