Phrase of the week

It's good to be me. At our school we celebrate our individuality on a daily basis. It is crucial that we all learn to recognise and praise our own strengths as well as the qualities in other. We are a truly unique school, with a unique cohort of children and staff. We are all very proud of who we are and agree that it is "good to be me!"

Value of the half term

Unique

We all have different strengths and abilities and are special in our own way. It's good to be me!

Our Vision

At Fellgate Primary School, through an ethos of respect, challenge and resilience, we aspire to create an inclusive, safe, vibrant, happy school where each member of the school community - children, parents, carers, staff and governors - feels valued and are encouraged to be the best they can be. We celebrate individuality, striving for everyone to reach their full potential and "shine" in everything they do.

TOGETHER EVERYONE ACHIEVES MORE

Dear Parents & Carers,

Welcome back after the Easter break. Last term we saw our **attendance** dip. Can I ask, that if any child is struggling with attendance at the moment, please contact your class teacher so that we can see what we can do to support your child into school. Every day really counts, and a day missed means that your child does not have that opportunity to learn new things, practise past learning or continue to develop friendships.

Strike Action Thursday 27th April and Tuesday 2nd May. Just to inform you that the following classes will be open on Thursday 27th April : Hollies, Maples, Hawthorns, Willows, Oaks and Sycamores. Tuesday 2nd May: Hollies, Maples, Hawthorns, Willows and Sycamores. If there are any further changes I will keep you updated. I apologise for any inconvenience caused and thank you all for your continued support.

Many thanks for your continued support,
have a great weekend!
Mrs Tones

Worry Monsters

We have received these lovely new resources for our Nurture Room. They were made by a charity called Knit-For-Nowt who have a team of volunteer knitters across the country making these for children. The idea is for the child to write their worry down on a piece of paper and put it in the Monster's pocket or feed it to them - 'A problem shared is a problem halved'.

THIS WEEK AT FELLGATE

Acorns Outdoor Area

At Fellgate we have been expanding and updating our early years outdoor area. This will be ongoing throughout the summer term. We will be developing the garden, reading, writing and maths area, large construction area, messy area and much much more. Look out for more updates over the coming weeks..

R.E in Willows

This term in Religious Education, Willows have been learning about Hinduism. This week we looked at Hindu Shrines and what they are used for, how they are important and what they symbolise in Hinduism. Working together as a team, pupils used a range of materials to create their very own Hindu Shrine. The shrine they created turned out beautifully. Well done Willows.
