

Friday News at Fellgate Primary School

Friday 14th March 2025

Dear Parents and Carers,

GET UP, GET IN, GET ON!

Acorns – 92%		Sycamores – 97%		Elms – 97%		Oaks – 92%			
Rowans – 93%		Maples – 89%		Cherries – 86%		Chestnuts – 95%		Birches – 100%	

Mrs Tones' phrase of the week is 'we need to have courage to make our own choices to achieve our goals'. This week, we looked at how the Atlantic salmon has to be both resilient and determined to achieve its life goal of returning to its place of birth. The children looked at how the Atlantic salmon makes an epic journey back to the river or stream and how the salmon is faced with many choices and challenges along the way. We shared how this resilience and determination could be applied to ourselves which could mean making different choices to our friends. We need to have the courage to swim against the flow and have the strength to do the opposite of those around us if needed.

Science Week: Next week, the children will take part in British Science week in school. British Science Week is a celebration of science, technology, engineering and maths (STEM). This year's theme is 'Change and adapt'. This theme encourages exploration of how living organisms, technologies, and societies evolve in response to changing environments and circumstances. Throughout the week the children will have the opportunity to engage in some exciting activities based around this theme and complete a whole-school investigation. Please keep a look out for all of the fun and exciting learning in school on our Class Dojo, Facebook and Instagram pages.

Comic Relief: Friday 21st March is Red Nose Day. This year we will be 'Doing Something Funny for Money'. Children are allowed to choose from a list of "funny" things - paying 50p for each e.g. crazy hair, odd shoes, bright clothes, odd socks, face paints, crazy glasses, brightly decorated naiks and red nose merchandise. More information has been posted on Dojo. Thanks to Sophie in Y6 for telling the whole school in the Assembly today about the funny things we can do for money.

Bikeability for Year 4:

Yesterday, some of our Year 4 pupils completed their Level 1 Bikeability on our school yard. They all worked very hard and listened carefully to the instructions given. Firstly, the children were taught how to check their bikes were in a safe working order before being used such as checking the air in the tyres. Then, the children learnt a range of skills such as how to move off safely, how to signal and how to swerve if they were to come across something in front of them when on their bikes. They used the track on the yard as well as maneuvering in between cones to practise their skills. The level 1 course prepares the

children for riding in the community for the next level of Bikeability in Year 5. Great work Year 4. We are all very proud of you.

Inclusive Ten Pin Bowling: Well done to our pupils who competed in the Ten Pin Bowling Competition. Each pupil received a certificate and a medal. They were fantastic role models for our school. A special mention to Olivia who scored an additional certificate for scoring over 100 points!

Community Kids Club are now running the after school club which is held at Hedworthfield Community Association. Please contact them on 07950 42 11 83 if you require any after school childcare.
