Fellgate's News

Friday 4th July

Dear Parents and Carers,

Attendance: What week for attendance this week! It is so important to come to school each day. It builds routines, gives time to learn and develop friendships. Well done to everyone who achieved expected attendance.

Acorns – 99 %	Sycamores – 98%	Elms – 95%	Oaks – 94%
Rowans –94 %	Maples – 93%	Cherries – 99%	Chestnuts – 89%
			Birches – 89%

Summer Fair: Thank you for all of your support; it was wonderful to see so many parents, carers and other family members enjoying the fair with their child. I hope everyone had a great time!

Elms, Birches and Chestnuts Trip: On Tuesday, Elms, Birches and Chestnuts went to Jarrow Focus to listen to a band called 'Different Voices.' They learned about the different instruments being played such as the trombone and an electric guitar as well as listening to some fantastic songs. There was a wide range of songs from Shotgun to Yellow Submarine! Everyone got fully involved by singing and dancing along. It was a fantastic opportunity to watch a live music performance, and all the children were amazing ambassadors for our school through their excellent behaviour and listening skills. Great work everyone!

Trips: Cherries, Birches and Chestnuts are going on a trip on Thursday 9th July. Please check Dojo for further information.

Cherries: had a fantastic transport visit to Tynemouth using the metro, bus and ferry. Everyone had a fantastic day out. All the children were amazing ambassadors for our school through their excellent behaviour and listening skills. Great work Cherries!

Oaks: Oaks class are finishing the school year with a splash—literally! Our traditional end-of-year water fight was an absolute blast, filled with laughter, splashes and plenty of surprises... The kids got their secret revenge by using their codeword “bananas” to soak Mr. Graham all at once—talk about teamwork! But the fun didn't stop there. Oaks also celebrated with a fantastic reward trip to Quasar Laser, where the children enjoyed thrilling games of laser tag, followed by an exciting visit to Marine Park. There, they played games and even took a fantastic ride on the train, making memories to last a lifetime. What a fantastic way to wrap up the year!

Facebook/ Instagram: Please continue to have a look on our Facebook and Instagram pages to see what has happened in school this week. We have regular daily posts to share all of the wonderful things that the children are doing.

Back to school 2025: mainstream classes have received a letter informing you about your child's new class team. Please speak to your current class teacher or Helen Towers, our Family Support Worker, if you feel that more transition would be useful. Due to the Summer Fair this afternoon, letters will be sent out on Monday to Base parents. We didn't want the information to be lost with the excitement of this afternoon.

Transition days: Thursday 11th July and Friday 12th July.

Children in mainstream will come into school as normal on Thursday and then move to their new class. They will be dismissed from their new class onto the yard. On Friday 12th July they will enter school via their new class room door and leave via their new classroom door.

Children in the Base will come into their class as normal and then move to their new class for the morning session on Thursday and Friday. They will return to their current class for the afternoon.

Children who are starting in Reception or in the Base have different arrangements. Parents will be informed separately of these arrangements.

Primary School

Stars of the Week

Class	Pupil	Reason for Star of the Week
Acorns	Martha	for her lovely contributions to class discussions
Rowans	Olive	who has enjoyed exploring tasks more independently and she has been enjoying peers within her space. Well done Olive!
Sycamores	Robbie	for showing excellent effort in maths and joining in with class discussions
Maples	William	for trying really hard with managing his emotions
Cherries	Jensen	for being excellent on our class trip this week
Elms	Mitchell	for having an outstanding year. He has worked really hard and spent lots of time in the class. Great work!
Chestnuts	Caleb	for having lovely manners, always being kind and having a positive attitude towards his work
Oaks	Freddie M	for hard work, being a good friend and demonstrating outstanding manners
Birches	Benyson	for independent maths work
