

The Percy Hedley Foundation

Guidance for Parents

Coronavirus, Self-Isolation and School/College/Service Absence

All of our staff, students, service users and families have a role to play in managing the risk posed by Covid-19. While we hope our Percy Hedley family stays safe and virus-free it may be necessary for your child/family member, and your household, to self-isolate and be tested – please see below for the current guidance. If you have any questions please get in touch.

Covid-19 Key Symptoms

What to watch out for

New, continuous cough

Loss or change to sense of smell or taste

A high temperature

What to do if...

** even if they get tested and receive a negative result during that time

Please contact us by phone or email – do not visit the school in person if your child and/or household are self-isolating
