Welcome from the Principal

We would like to offer you a warm welcome from all the team here at Club Doncaster Sports College. We are excited to introduce our prospectus and hope you can join us here at the College for what promises to be another fantastic year.

Our students benefit from first class academic programmes based in a professional sporting environment. Located in the Eco-Power Stadium; home to Doncaster Rovers FC, Doncaster Rovers Belles and Doncaster Rugby League Football Club, our College boasts outstanding facilities in which to study and participate in sport.

Our further and higher education offer has grown year on year since we established the college in 2008 and we are one of the leading colleges in the English Football League.

With outstanding results in nationally recognised qualifications, extra-curricular sports academies, access to specialist work placements, overseas trips and guest speakers from the sports industry, we are proud to offer our students a unique and rewarding experience where together we achieve great things.

Your College, your future.

Established in 2008

The College continues to be a flagship education provider in the English Football League

We are the official education providers for Doncaster Rovers FC, the Doncaster RLFC and the Doncaster Rovers Belles

EDUCATION IN THE HEART OF DONCASTER

College Results

As a College, we have achieved outstanding results year upon year. Our academic performance sets us apart from other education providers with a 100% pass rate across all sports qualifications in the last year. Our results are well above the national averages for each of our level 2 and level 3 pathways.

Our team takes the utmost pride in providing the best possible education for our learners and this is represented in our learner feedback surveys where 99% of our students say they enjoy coming to College and 100% would recommend the College to a friend.

**100% pass rate
on Level 2 programmes**

**100% pass rate
on Level 3 programmes**

TRIPS & TOURS - HOME & AWAY

Club Doncaster Sports College students are involved in a minimum of one vocational trip a year and have the opportunity to apply for our European Tour, where they'll gain vital work experience as well as experiencing new cultures on and off the pitch.

Our annual Varsity game is held each year on the main pitch at the Eco-Power Stadium.

Family and friends are invited to come along and cheer the College teams or they can catch up on the highlights as the game is also broadcast on our Youtube channel.

Sports Academies

Football

The Doncaster Rovers and the Doncaster Rovers Belles College Football Academies are specialised extra-curricular programmes that run alongside students' academic courses, allowing those with a passion for football to enhance their skills.

Participants will get the chance to engage in various competitions throughout the year, including the EFL Community and Education Football Alliance League, where they will compete against clubs such as Manchester City, Newcastle United, Everton and Birmingham City.

Academy players have the chance to participate in the yearly European Football Tour and represent the College internationally.

Any individual studying full-time at Club Doncaster Sports College can be involved in our College Academy, which includes various teams catering to different abilities.

BA (Hons) Degree in Physical Education & Sports Coaching

This innovative course will give learners the opportunity to become part of the rapidly expanding PE teaching, sports coaching, and sports development industry. With the increasing demand for knowledgeable and professional coaches in a wide range of sports environments, alongside the constant need for creative and forward-thinking PE teachers, this multi-disciplinary qualification provides theoretical, practical and vocational learning opportunities.

The course is delivered in partnership between Club Doncaster Sports College and University Campus Doncaster, where students can benefit from the combined skills of two specialist organisations. Students will study at Club Doncaster Sports College and the new High Performance Centre at the Eco Power Stadium.

ENTRY REQUIREMENTS

One of the following:
80 UCAS tariff points, Access to HE Diploma in a sports related programme with at least 45 credits at Level 3 and/or accreditation of prior learning (APL)

Duration – 3 years full-time
Awarding Body – University of Hull
Course Fees are applicable

ALUMNI STUDENT TO TEACHER

Emily studied the BTEC Level 3 at the Sports College to pursue her dream of becoming a Sports Lecturer. After completing the level 3 programme she went on to study her sports degree at the College.

Following her bachelor's degree, she completed her PGCE teacher training and graduated as a qualified teacher in 2020. Emily now holds a full-time Sports Lecturer position at the Sports College.

ALUMNI LEAVE A LEGACY

Belonging to the Club Doncaster Sports College football academy opens up exciting opportunities for our students to explore various sporting pathways.

Consider Bobby Faulkner's journey as a prime example. He completed his BTEC Level 3 Sport qualification at our college before securing a professional contract with Doncaster Rovers.
