

Keeping your dining area COVID safe...

We follow the 5 step COVID-19 government guidance

Catering staff will be included in the schools lateral flow testing

All staff have completed COVID risk assessment training

All staff are supplied with face coverings, gloves and have been given additional hand washing guidance

There will be clear guidance for the children on how to navigate the food service areas safely

All pupils will eat within their social bubbles, allowing them to continue to eat with their friends

If you have any concerns or questions, please do get in touch!
