Foundation Stage CURRICULUM LETTER

Christmas is coming!

It's the most wonderful time of the year!

To all our parents and carers,
We would like to ask for your understanding, patience and flexibility during this very busy time of our school year.

The festive season is upon us and we are already busy practising for our Nativity performance and preparing for Christmas, as well as continuing with our usual curriculum.

During the month of December we will not be hearing the F2 children read their individual reading book, we will continue with our guided and shared reading sessions within our planned sessions.

Please continue to recap/work on the keywords or letter sounds that your child is familiar with by reading them, putting each word into a sentence and having a go at writing them. This will help your child to become secure with their recognition of the keywords. Also continue to practise writing their name.

Please see dates below for your information
