Message from the Head

As another busy half term begins we are getting ready to prepare the children in the next stage of their learning. Over the course of the half term we will be holding transition days and activity sessions for the children to meet their new teachers and spend time in their new classrooms. Children grow up so fast! Summer term is always full of lots of things, please make sure you check all of the dates for your diary as we have lots coming up! Toward the end of this term you will receive your child's school report and have an opportunity to look through your child's learning with your child, for you to share achievements and look at their progress.

CAR PARK ISSUES

We have had several complaints from users of our car park. Could we please ask that you adhere to the car park markings and signs

Thank you for your cooperation

Please see over the page for dates for your diary!

MESSAGE FROM MRS McGLINCHEY

I just want to pass on my sincere thanks to you all for such a wonderful send off during my last week at Christopher Pickering. The children did an amazing performance for me, which was so very special-Mrs Carter videoed it for me so that I can watch it again. I was so touched by the flowers, wine, gin, chocolates and gifts that you passed onto me-you have been so generous. I was particularly surprised by the parents gathering on the Friday morning and the gifts again were so thoughtful-the candlesticks now have pride of place on my fireplace. Thank you so much. The staff organised an amazing send off for me and it has taken four weeks of holiday and time alone to reflect on it all-I have genuinely been overwhelmed by everyone's kindness. I have been on school run duty-and enjoyed it from the 'other side' and am still working on Mr McGlinchey for that caravan!!! Many, many thanks. Sue McGlinchey
