

# Chasing Shadows!

**After going on an expedition  
exploring the school  
grounds...we ended up in the  
MUGA and look what we  
found!**

**“My  
shadow is  
so big!”**

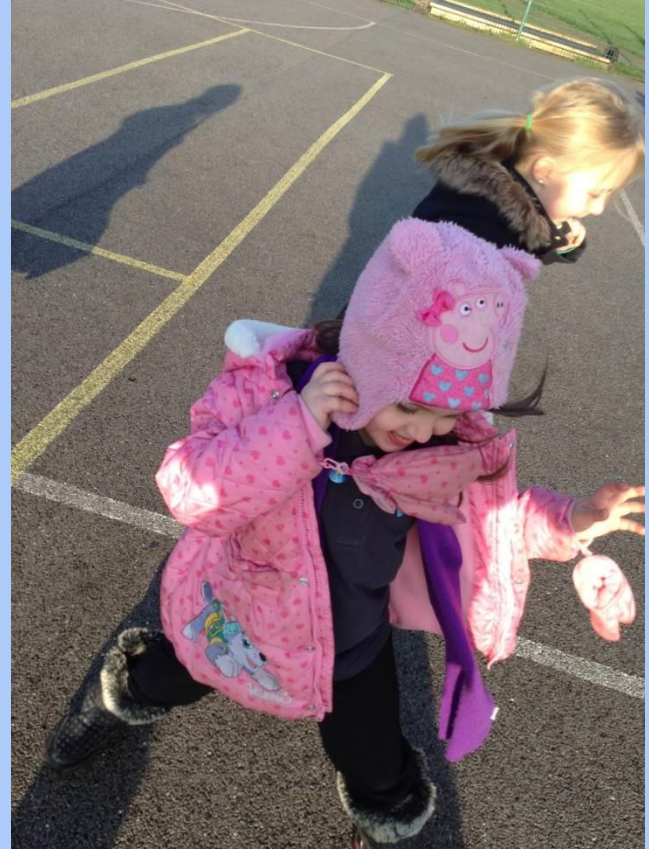

**“It’s the same shape as me.”**

**We found our shadows!**

# We like jumping on shadows!

**“Look at  
our crazy  
shadows!”**

**“I’ve made a triangle!”**

The sun was shining bright and it was low in the sky, so our shadow's were very long!
