

Foundation Stage...

Strictly come dancing!

After Summer brought her fabulous ballroom shoes into class...F2 were inspired to do a bit of their own ballroom dancing!

With a little help from
Summer... and some Strictly
clips...we put our ballroom
moves into action!

We worked in partners and practised our footwork!

We had so much fun whirling
and swirling around the
dance studio together!

We decided our finishing pose was key....check out these Strictly poses!

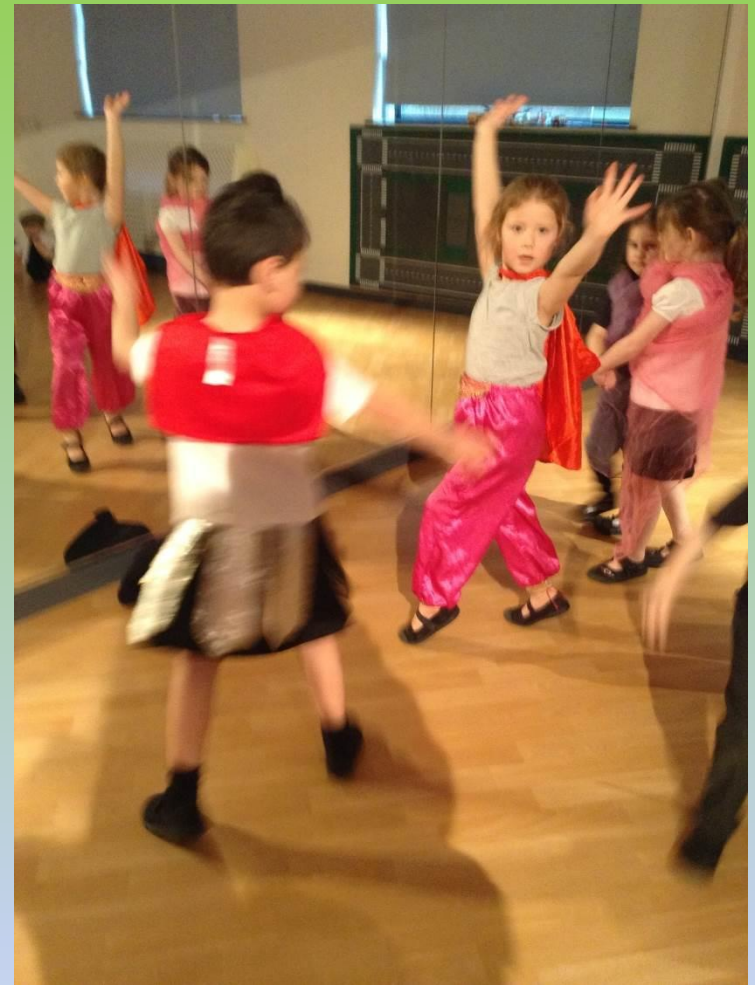

After last session the children
were desperate to *keeeep*
dancing!!!

They wanted to become 'real'
dancers and wear their own
costumes!

The children decided on their costumes and who they wanted to dance with...

They loved performing to each other and showing off their brilliant moves!

Ballroom Blitz, the Tango, the Jive...just a selection of our dances!
Until next week...

It's a 10 from Len!!!
