

Splashing about in the water!

**We love water play in the
Foundation Stage.**

**It helps with our Physical
Development and also our
Personal, Social and
Emotional skills.**

“I’m cleaning up!”

We need strong muscles to squeeze the sponge and wash the watering can...good work Jessica!

**Phoebe needs to
bend over to
clean and scrub
the ground
“If I rub hard, I
get lots of
bubbles!”**

Working together with our friends is fun...

...“I’ll hold it for you!”

1, 2, 3 blow!
**Look at Archie make the water squirt...”It’s
going very high!”**

**Even
getting
wet is
fun!**
