

Week beginning 1<sup>st</sup> May 2017.

# Fabulous Farms!

It's been a short week but we still seem to have managed to cram an awful lot in! The children have continued to develop their sharing skills in maths.

They have also sorted animals into categories, focussing on farm animals.

They have described the poor old duck in Farmer Duck and used speech bubbles for their writing.

And of course we have all been on our fantastic trip to Honeysuckle Farm...what a great day that was! Yet another fabulous week in Foundation Stage!
