

Week beginning 19th June 2017.

The Lighthouse Keeper's Lunch

Our Winter Garden has now got a lighthouse in it too! The children are enjoying playing in Mrs Grinling's kitchen and making delicious lunches to send across to Mr Grinling in his lighthouse.

The children have been thinking about what letter sounds they can hear in words and have continued to practise writing sentences; thinking carefully about what they would include in their own packed lunches. In Maths they have all been learning about time; ordering events that we carry out each day, learning how to read the time, using o'clock very well. Some have even started using half

past too!
