

Week beginning 3rd July 2017.

The Train Ride

A great week in Foundation Stage of exploring journeys with our new story; The Train Ride. The children have thought carefully about what they might see out of the window on their journey to the seaside and have enjoyed putting them in order on our story table. We have continued with counting and recapping on double numbers.

The children have LOVED exploring our new outdoor area. It has been so very exciting! Can we please remind you NOT to let your children play on this before or after school as they need to be supervised by staff to do so. Can bikes also not be left near the shed. Thank you.
