

Week beginning 18<sup>th</sup> September 2017.

## What a fabulous week!

The children are quickly settling into the routines of Foundation Stage and enjoying everything that we do. We had a successful PE lesson on Tuesday, where the children all attempted to get changed into their kits independently! Can we ask you to make sure that ALL school clothes are named clearly, thank you.

We have started reading a new book called 'Miss Dose the Doctor's Daughter' and begun to think about people who help us. Our 'Wow Day' was a great success, thank you to all your efforts with the children's costumes, they looked great!
