

F1 get a special parcel!

11/10/17

The postman delivered a parcel!

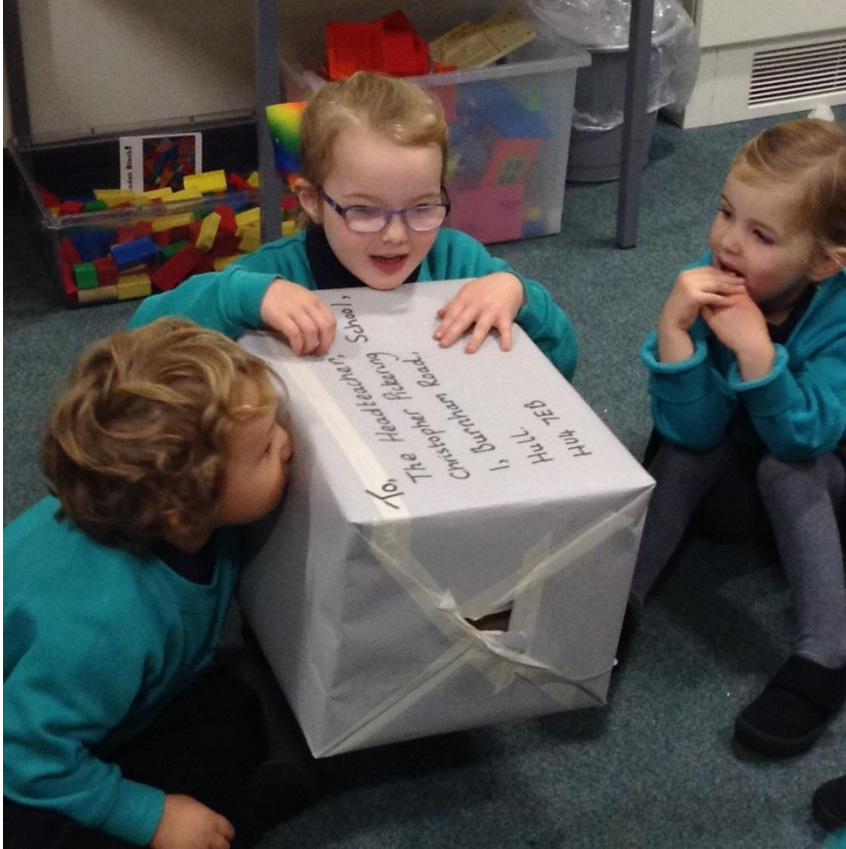

What can it be?

We all held it – it was heavy!

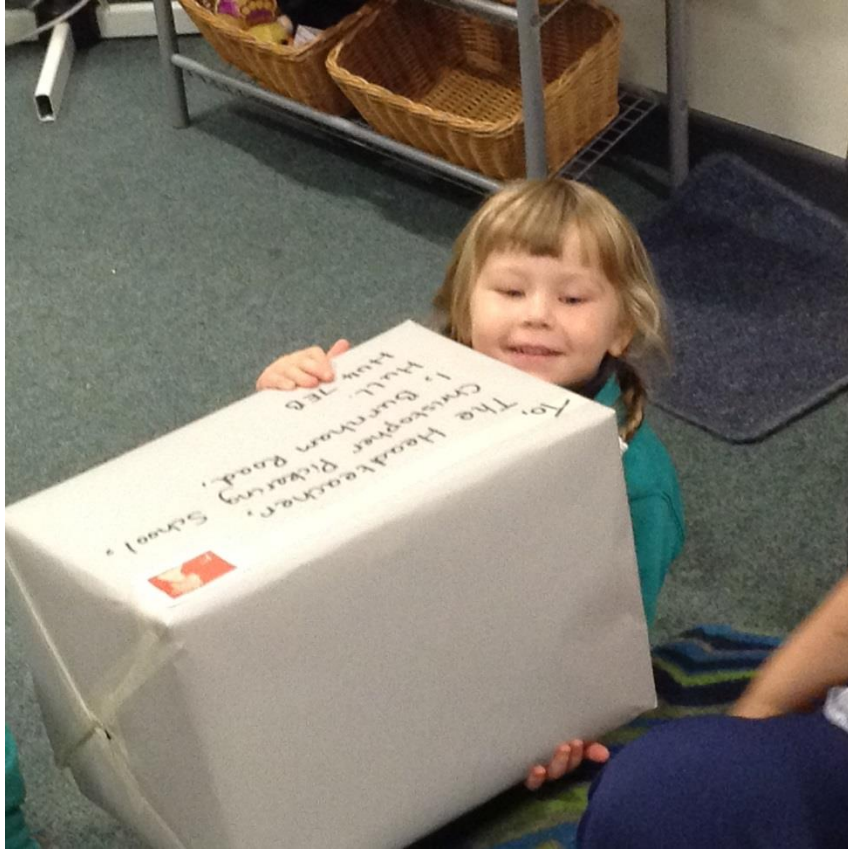

It was also very big!

It was very exciting!

We tried to guess what it was!

We opened it up!

What was inside?

We passed it round and described what it felt like!

Wow – someone has lost their teeth!

We had lots of fun guessing who they belonged to!

Can you guess who they belong to?
