# Post Office Mini Trip

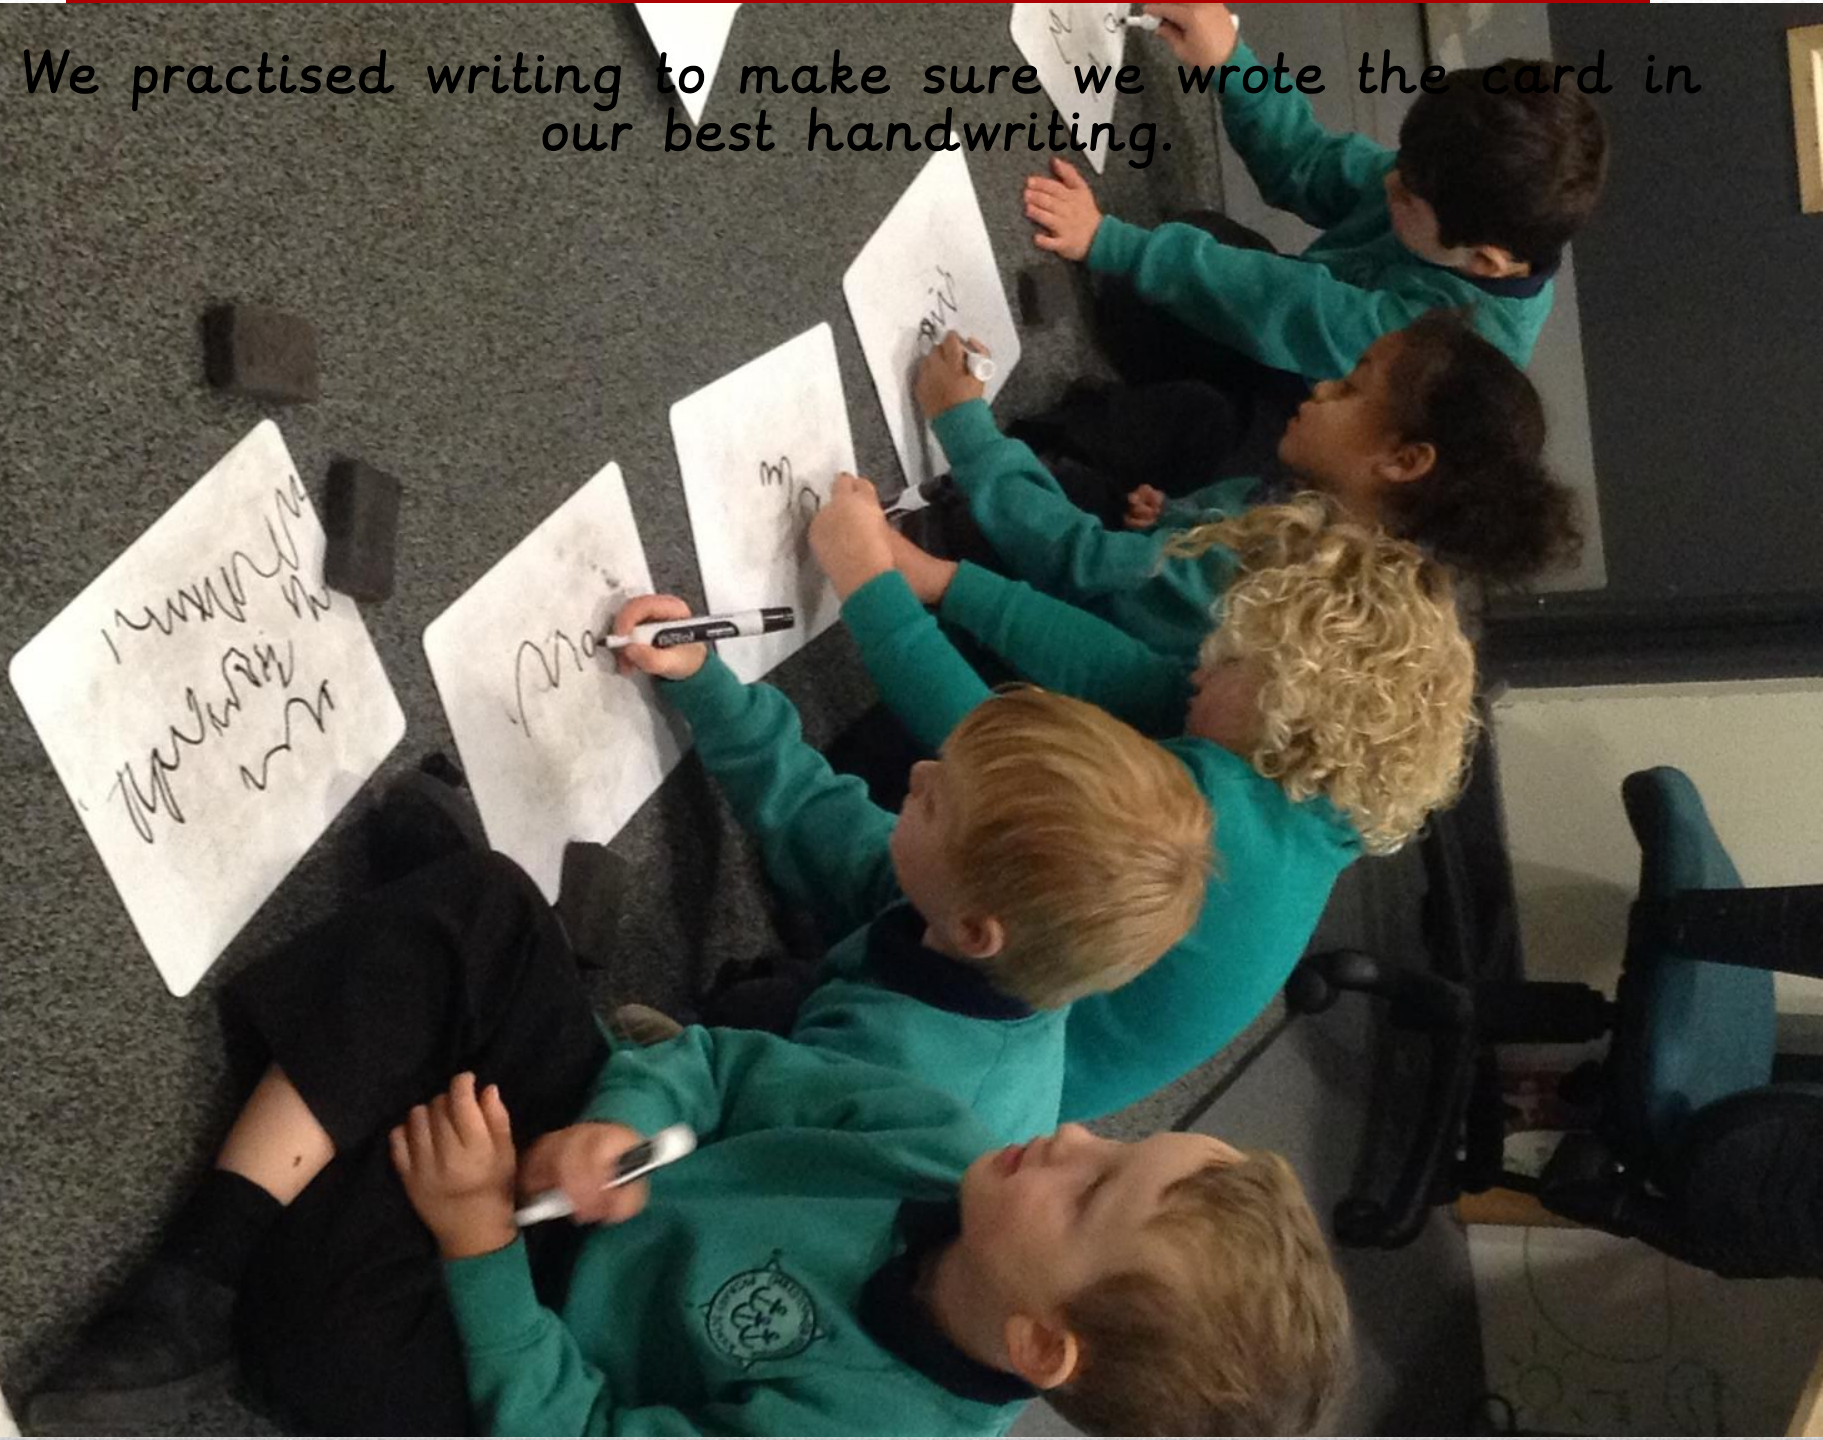

*Foundation 2*

---

We decided to send a Christmas Card to Mrs Marson,  
our Headteacher.

We practised writing to make sure we wrote the card in our best handwriting.

We tried our very best.

Mrs Sanford help s with the address.

---

We asked the office to keep a look out for the post man  
with our special card.

Here we are ready to get in  
the mini bus.

---

*We were very excited for our special job.*

---

Mila looked after the card.

---

*We are nearly there.....*

---

We found a post box outside the post office. .

Here is the post office.

---

We had to stand behind the line await our turn.

---

Max asked for a stamp, very politely, and Faith gave the money.

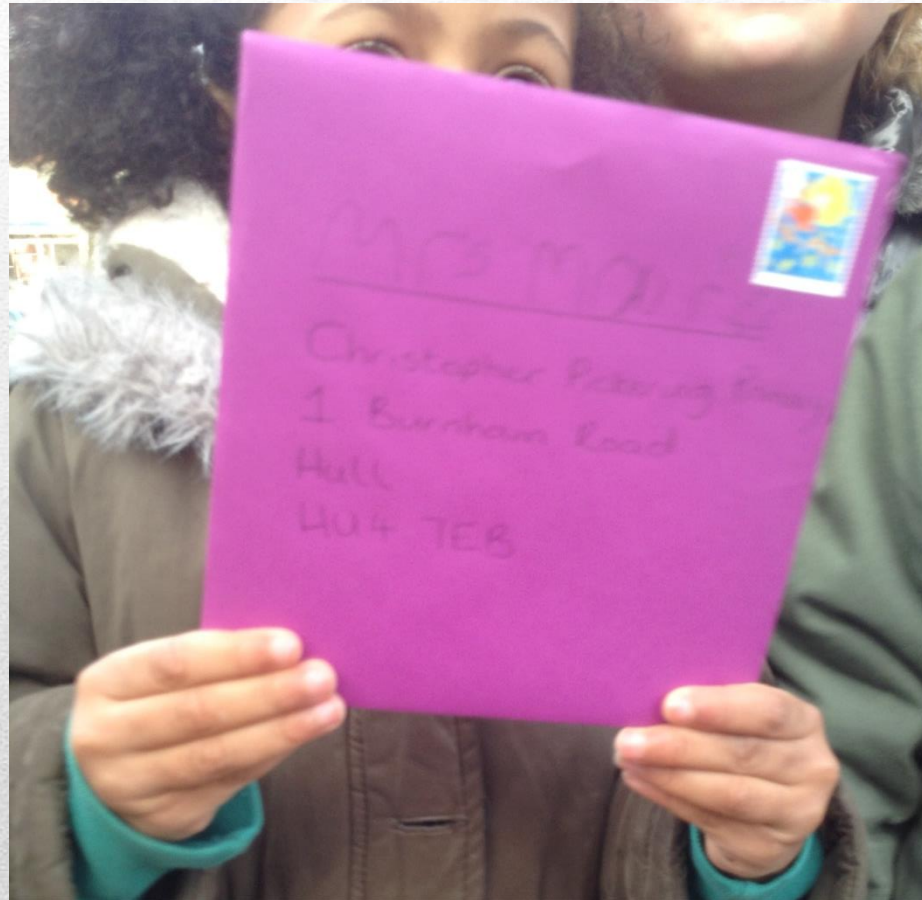

---

Faith got to choose a special Christmas stamp.

---

We stuck it on the card.

We were excited to post the card.

Off it goes!

---

---

We can't wait for the postman to collect our card from the post box and take it to the sorting office.
