

The background is a solid blue color with numerous white snowflakes of various sizes and shapes scattered throughout. The snowflakes are more densely packed on the left side and become sparser towards the right. The text is centered in the middle of the image.

*Foundation
Stage Winter
Walk*

It was lovely and cold outside but we
got wrapped up and walked on the frosty
grass.

The Winter sun made us feel happy!

Let's explore!

We saw tiny buds and red berries growing on different types of trees.

We also saw the bird boxes on the trees. We wondered if any birds live in them!
