

Week beginning 8th January 2018.

Welcome back to Traditional Tales!

The children have been so full of all their chat from the holidays, which has been lovely to hear. They have got straight back into our usual routines and are enjoying exploring all of our new areas within the unit.

The children have already shown super progress, working hard to learn and re-tell the story of The Three Little Pigs, adding actions to help them remember all the main characters and events.

Remember to come dressed as your favourite fairy tale character on Monday!
