

Week beginning 15<sup>th</sup> January 2018.

## Another week of fun...

Monday was a fabulous day! The children loved dressing up and seeing all of their teachers in their costumes too. It was a great start to our topic of Traditional Tales.

As the week has gone on the children have continued to practise re-telling the story of The Three Little Pigs, which they are very good at. Why don't you ask your child to tell you the story and show you the actions? The children have also labelled the pig's houses, some have even had a go at writing a sentence too.

In Maths we have been exploring flat 2D shapes; naming them and describing their characteristics, then using them to create houses.

Some of the children have also been involved in a 'Flex Dance' session, which they thoroughly enjoyed. They even performed for the rest of the school.
