

Week beginning 22nd January 2018.

Jack and the Beanstalk

Another busy week in Foundation Stage. Once again we have loved reading another Traditional Tale. The children have written about different characters from these stories and are trying hard to form letters correctly.

They have used beans in their Maths work to help them match numerals, add one more and some have even begun to use number sentences. Some great work! They have all planted a beans each and we are looking forward to see how they grow.

In the cold weather at the beginning of the week we also painted Winter Trees.
