

Week beginning 5th February 2018.

Goldilocks!

We loved having some of you to visit on Monday afternoon for our 'Maths is Fun' session. Have a look at our blog to see if you feature!

The children have been working hard to try and learn the story of Goldilocks and the Three Bears, with actions of course. Why not ask your child if they can have a go at telling you it?

Enjoy half term and your holiday challenge!
