

Girls Football Week 2018

The banner features a large photograph of two girls in blue football kits celebrating on a field. In the top left corner, there is a small crest logo with the text 'Football' below it. The right side of the banner is a vertical collage of three Disney movie scenes: Moana holding a paddle, Judy Hopps from Zootropolis, and Rapunzel from Tangled. A blue and purple banner at the bottom left contains the registration information.

23-29 April 2018

Girls' Football Week supported by 

 LET'S GO!

This was the first year CPPS have held their own girls football week event. Every lunchtime, for a week, the girls took over the 2 MUGA's and played football on a girls only pitch!

Every day over 150 girls played football, even with female teachers coming out for a game. All of the girls had so much fun and can't wait for the next girls football week!

Thank you to the FA and Disney for some fabulous resources to engage our girls in football!

Here are some of the highlights!

Tom and Alex from the Tigers Trust brought in 3 pairs of Hull City tickets for these lucky girls, for their fabulous skills!

We are thrilled that so many of you have attended one of the Wildcats football groups, after being inspired during Girls Football week. Here are the details as a reminder. Keep playing girls!

Here are some details about local girls football groups, which you can contact, if your child is interested in playing some more girls only football!

Costello FC SSE Wildcats Girls' Football Centre

Every Saturday 1pm-2pm (starting 14/04/18)

Wold Primary School, Wold Road, HU5 5XG
