

Week beginning 4th June 2018.

A Wonderful Week of 'Wassand'!

What an experience we all had at Wassand Hall earlier in the week. It was quite fabulous.

The children loved learning about all the different types of trees, especially when they had to explore them blindfolded!

Their bug hotels were a great success. We are looking forward to combining them in our very own Big Bug Hotel very soon! All the photos from the day will be 'blogged very soon on the school website.

Thank you to everyone who donated bottles in readiness for the Summer Fair next Wednesday. The children are all looking forward to going.
