

Week beginning 2nd July 2018.

Fun, fun, fun!

This week the children have been working extra specially hard in our phonics sessions, focussing on blending and segmenting the sounds they can hear in words for reading and writing.

We loved watching the Year 5 and 6 children in their performance of 'Grease', taking on board some of their drama for our own 'Fabulous Finish' performance.

Remember that Monday is our 'Seaside Day'! The children are to come in their shorts and t-shirts, with a towel and change of clothes, plus £1 for the ice cream man!
