

Week beginning 24th September 2018.

Let's Celebrate!

Another fabulous week in Foundation Stage. The children have really got to grips with our routines now and enjoying daily Maths and Phonics sessions.

Wednesday's 'Party Day' was great fun. The children came out with so much chat about how and why we celebrate our birthdays, which was super to hear. They thoroughly enjoyed making (and eating!) their sandwiches, dancing and playing games in the hall and having birthday buns. A very happy day.

In Maths we have been focussing on the numbers 3 and 4; counting objects, matching groups to the correct numeral and practising the number formation.
