

A photograph of a park in autumn. The ground is covered in a thick layer of fallen orange and red leaves. In the background, several trees with vibrant autumn foliage stand in a row. The scene is bright and colorful, capturing the essence of the fall season.

*Autumn Walk
in
Pickering Park*

The children
went to
Pickering
Park to
explore what
was
happening to
the trees as
Autumn
arrives...

They had to search very carefully on the ground but they found some interesting leaves, tiny acorns and shiny conkers.

🎵 Conkers! I'm collecting conkers. I'm trying hard to find the biggest and the best.

Perfect
conkers were
hard to find
as someone
(or something)
had got to
them before
us!

Some of the conker shells were exceptionally spiky!

Brandon and
Miss Mortimer
found a
conker that
was still
completely
wrapped in
it's shell.

Dried leaves are great fun! 1, 2, 3...

...go!

And again!

Leaf angels!

These leaves
get
everywhere!

Everyone
had a
happy
time!

Fun in
the
Autumn
sunshine.

A vibrant autumn scene featuring a path lined with trees whose leaves have turned bright orange and yellow. The ground is covered in a thick layer of fallen leaves. A white rectangular box with a black border is centered in the upper half of the image, containing text.

Watch this space for our
artistic creations made with
the Autumn resources that
we have collected today.
