

Week beginning 12<sup>th</sup> November 2018.

# Another busy week!

In Maths children have been learning the difference between more and less than- including introducing money.

We were able to finish our Diva pots- we painted them red and added some glitter. They look amazing!

On Friday we had lots of fun for Children in Need. We enjoyed going on the bouncy castle and having our own disco!! Thankyou to all the parent/carers for all of your donations!
