

Week beginning 11th February 2019.

This week in FS...

In Maths this week, the children have been learning about 'Capacity'. The children have been filling up different containers so they can see what is 'empty', 'half full' and 'full'.

In Literacy the children worked on putting the instructions in order on how to make a Chinese lantern. They thought about which instruction came 'First', 'Next', 'Then' 'Finally' etc.

We hope you have a wonderful half term! We hope you have fun and stay safe!
