

Week beginning 6<sup>th</sup> May 2019.

# This week in F2...

In Maths this week, the children have been making number sentences and trying hard to find the answers using their number grids and counters.

In Literacy the children have been reading the story 'That's not my chick'. They have been writing sentences to describe the chick using different adjectives.

Last week the children did lots of planting. They planted tomatoes, peas and some cress. This week the children have observed the plants and can see some shoots from the tomatoes and peas and the cress has fully grown!

Also the children have had fun using cut up vegetables to use for paintings and making lots of different prints and patterns.
