

What makes us tick?

Welcome to the Autumn term in Y56. We have lots of new and exciting topics planned for this year starting with an exploration of the human body. Children will be looking at the body's major systems including circulatory, digestive, urinary and nervous systems. From the inner workings of the heart to making poo, we're looking forward to delving into this fascinating topic and producing some fantastic work in our science books!

General:

- We would like to wish a warm welcome back to Miss Stainton who has re-joined year 6 after her maternity leave.
- Please ensure that your child is wearing the correct school uniform (white polo t-shirts now permitted) and has appropriate indoor footwear at all times.
- A reminder the PE kit is black shorts and plain white or branded CPPS t-shirt. Your child may also bring a tracksuit top and bottoms (or similar) for outdoor activities during poor weather.
- Our morning Lexia club for children with an account continues. Children can come up to the Y56 Pod at 8:30am every day.
