

Week beginning 18 November 2019.

This week in F1

This week in Maths we have been continuing learning about and understanding the numbers 1-5.

In phonics we have been learning about alliteration and doing lots of games involving things with the same initial sound.

This week we have been talking about the cold weather and how it is becoming very frosty!

This week we have also covered how to look after our teeth and have also discussed road safety.
