

Week beginning 18 November 2019.

A busy week in F2!

This week in Maths we have been continuing with finding one more and one less than using counters.

In Literacy we have started learning all about The Nativity Story.

On Wednesday we had a non-uniform day, thank you all for your kind donations, it is very much appreciated!

This week we have been talking about the cold weather and how it is becoming very frosty!

The children have also been practising the songs for the Christmas play.
