

*How tall
are we?*

We were all measured when we first started in F2. How much do you think we will grow before we leave for Year 1?

We were all measured when we first started in F2. How much do you think we will grow before we leave for Year 1?

We used the ribbons to show how tall we are.

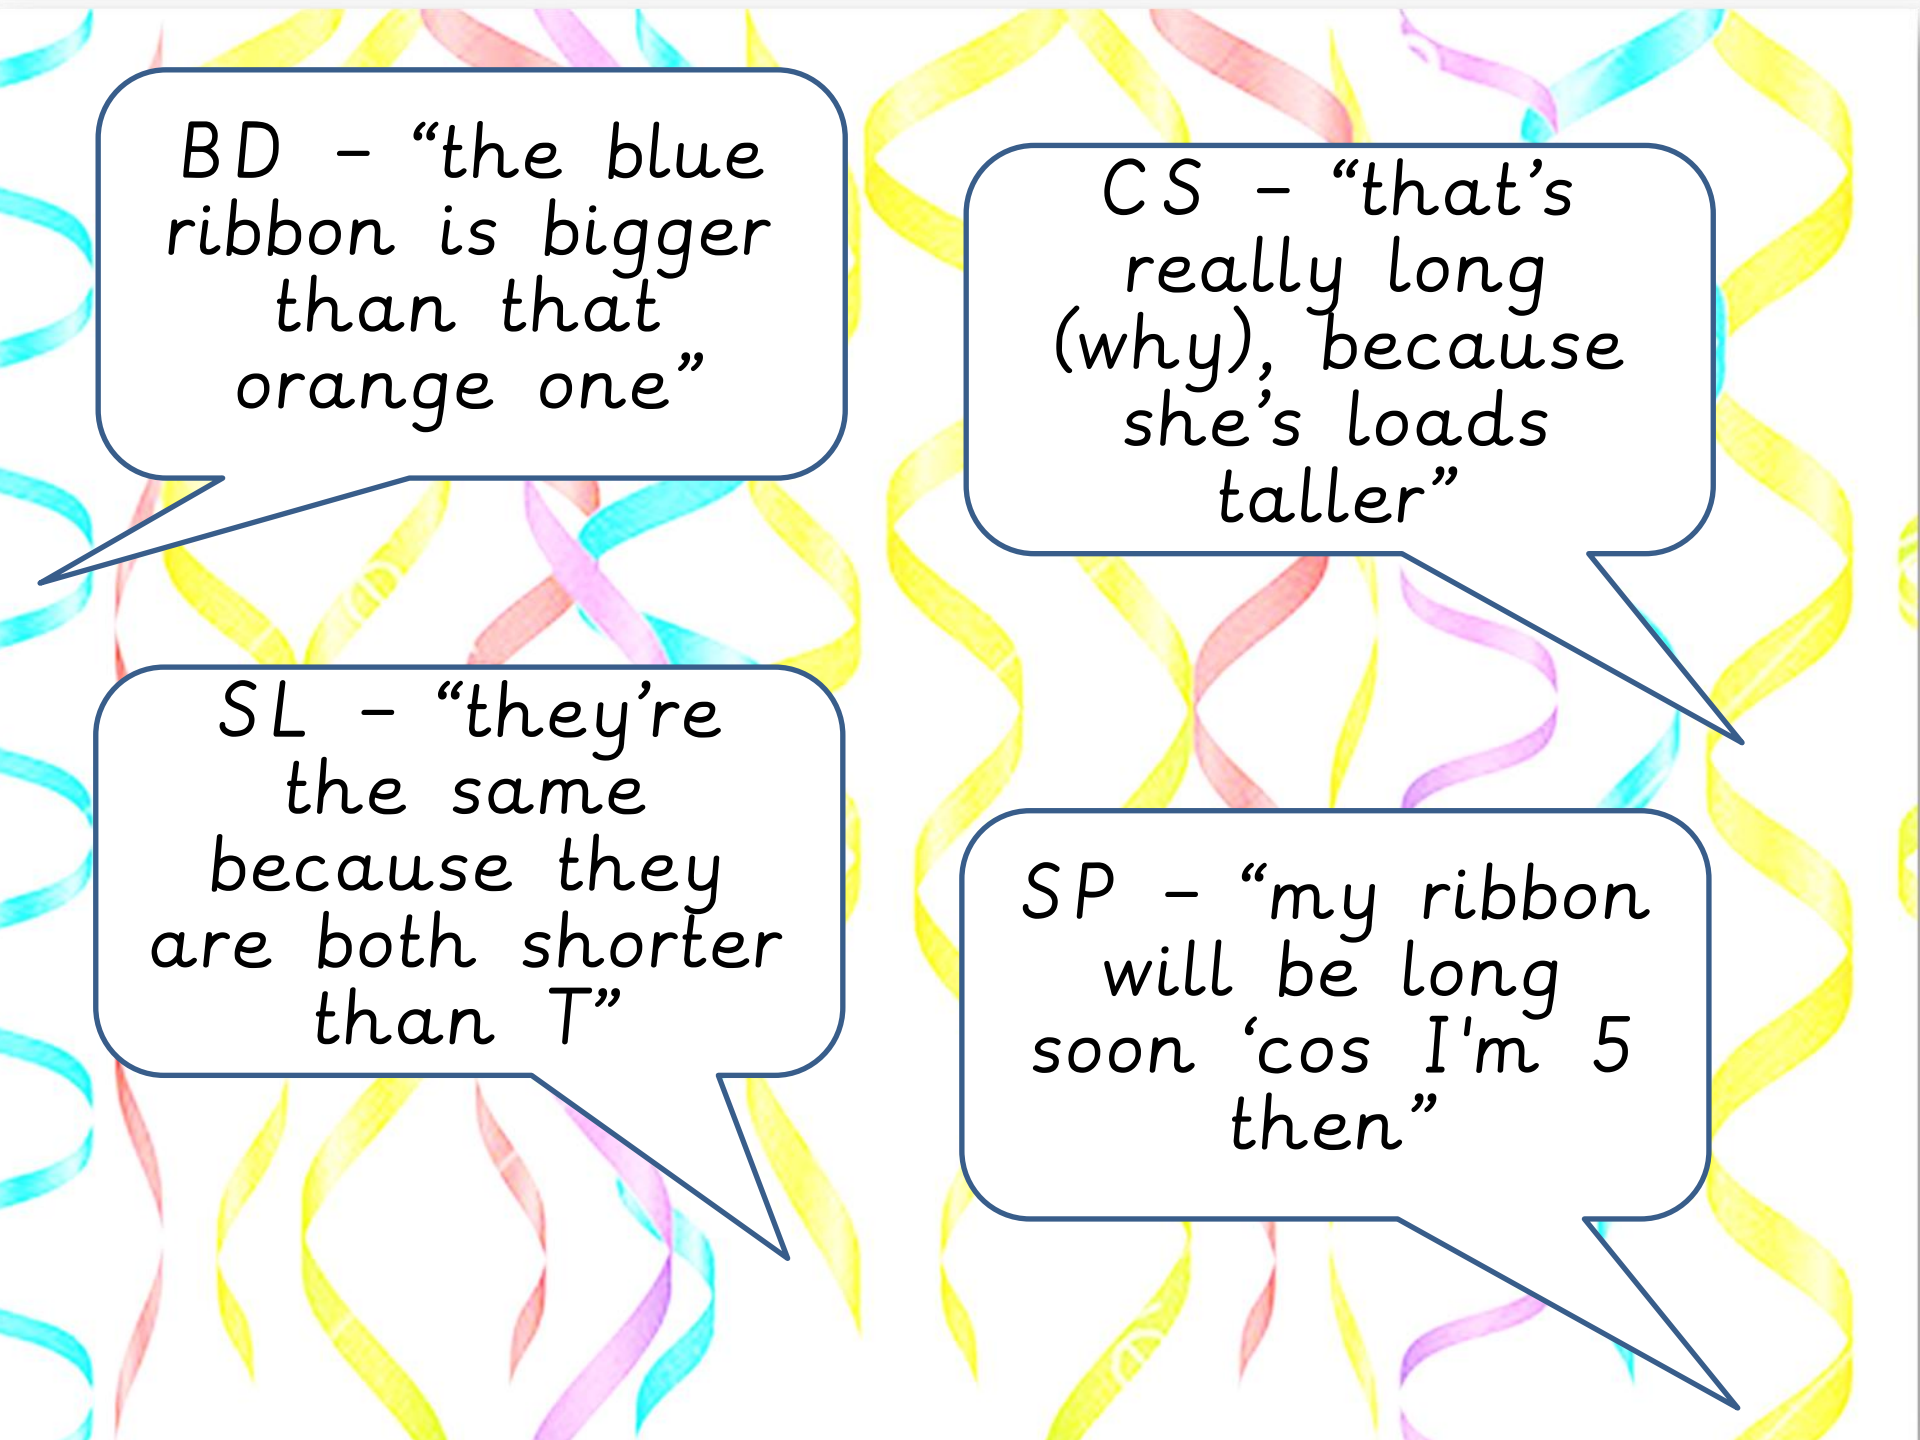

The children talked about their height compared to their friend's height .

SP - "he is taller than she is"

JW - "these girls are the same"

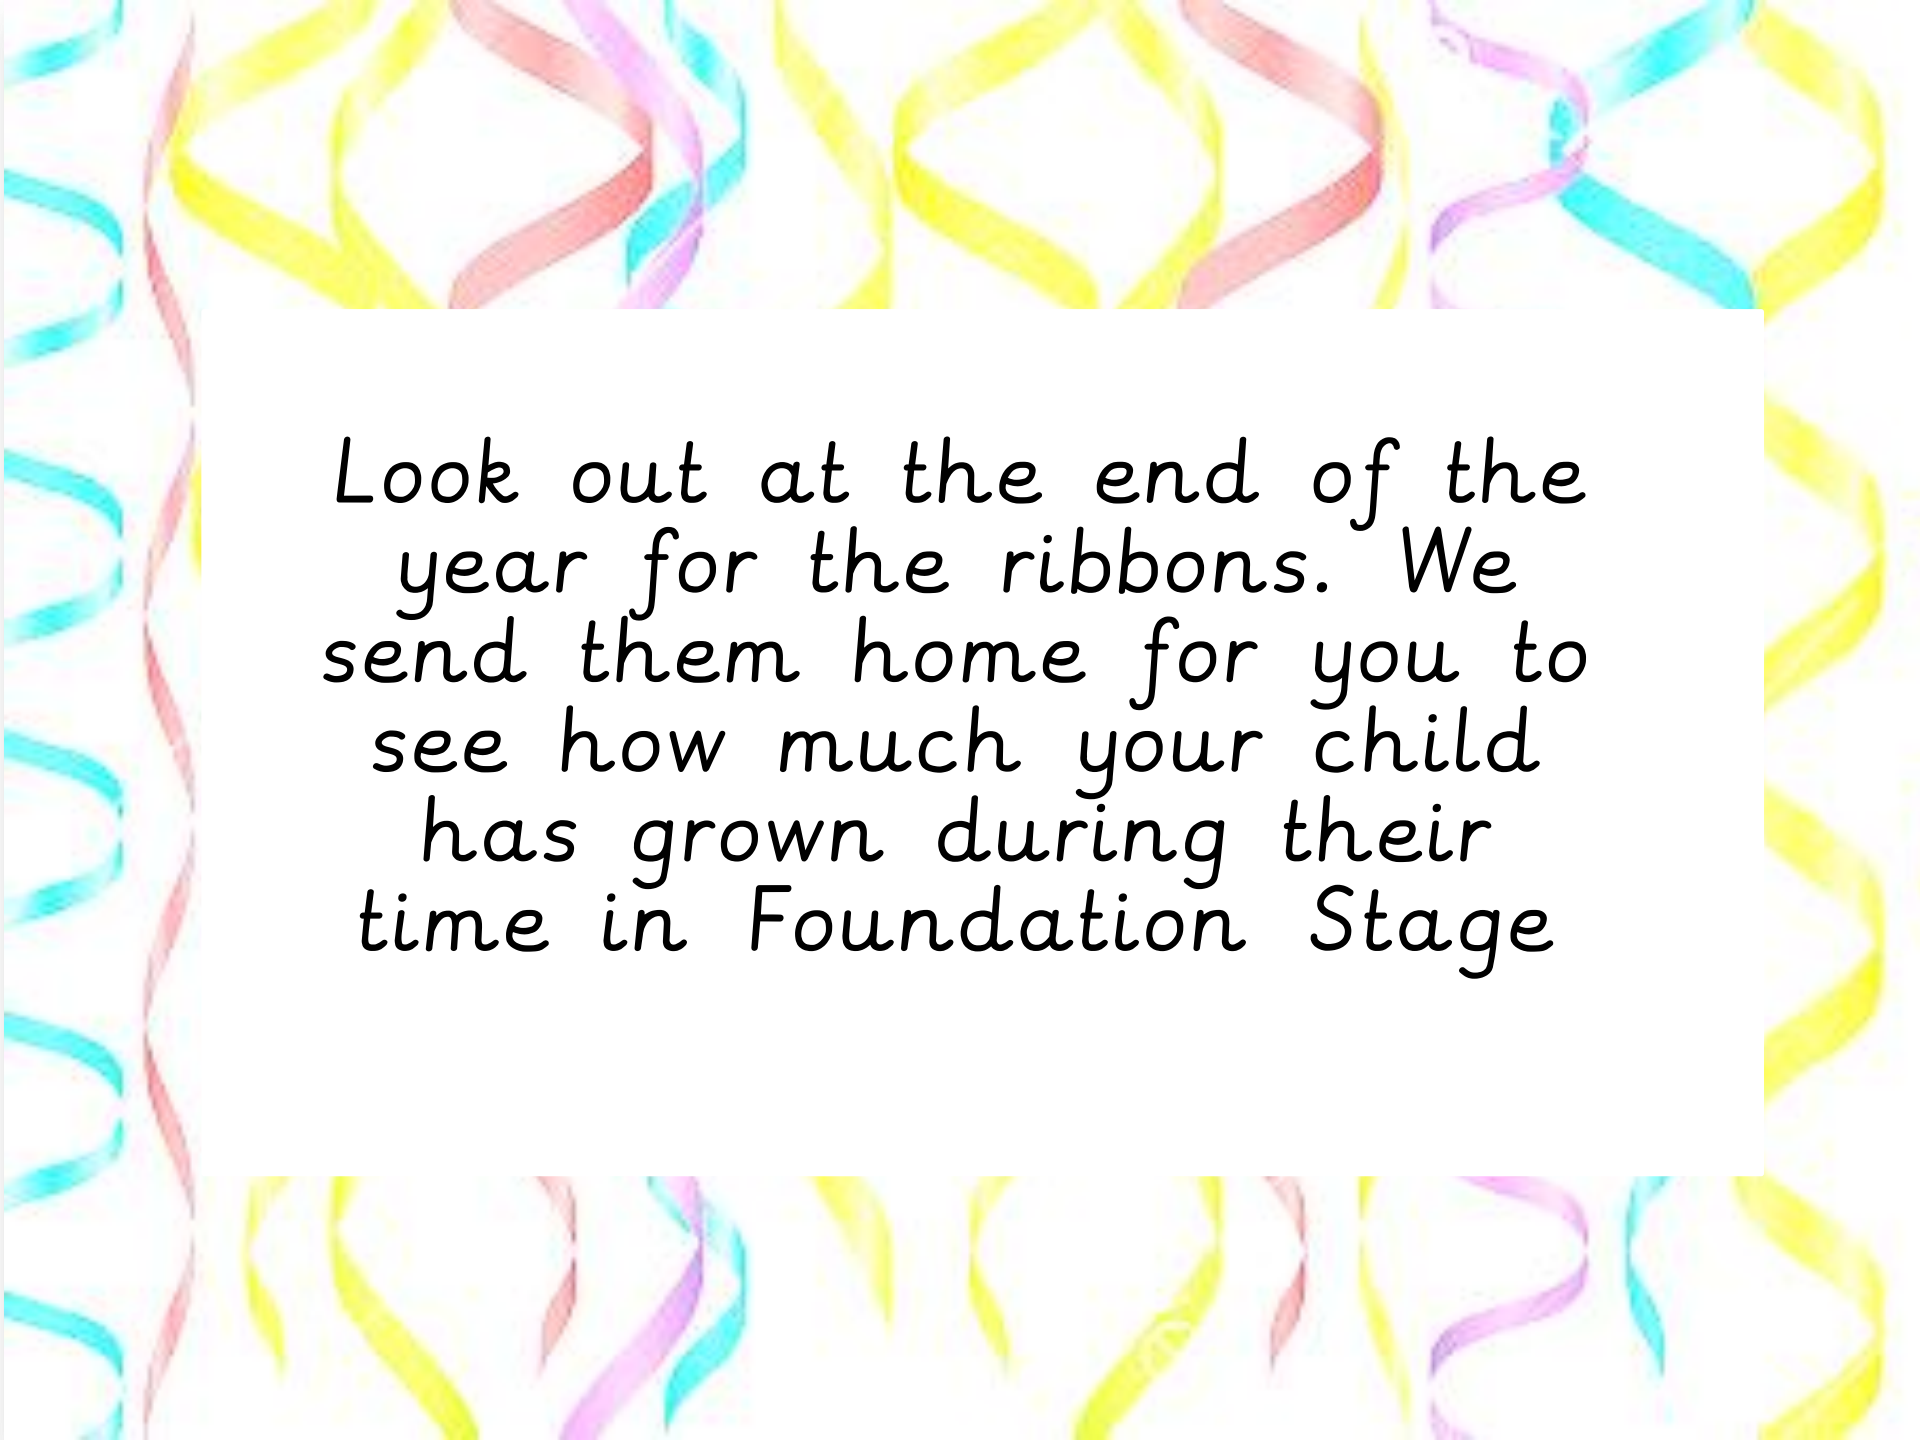

BD - "the blue ribbon is bigger than that orange one"

CS - "that's really long (why), because she's loads taller"

SL - "they're the same because they are both shorter than T"

SP - "my ribbon will be long soon 'cos I'm 5 then"

Look out at the end of the
year for the ribbons. We
send them home for you to
see how much your child
has grown during their
time in Foundation Stage
