

Where did the
dinosaurs go?

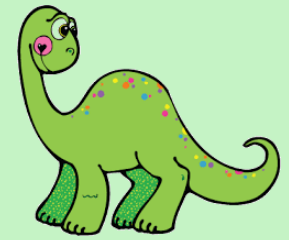

Our WOW day

We are explorers today...

We talked about being explorers
and what we already knew
about dinosaurs.

What do explorers need?

Lily 'Pencil and paper'

Ella 'Food'

Logan 'Binoculars'

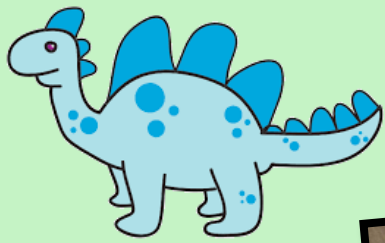

James 'To make you see far'

Noah 'A camera to take pictures of dinosaurs'

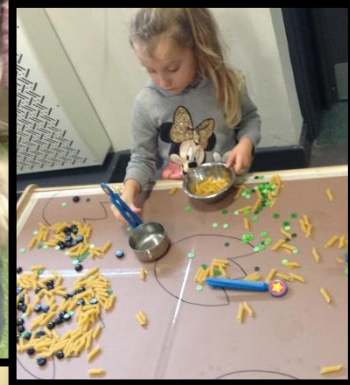

Charlie 'Brushes to dig up dinosaurs'

Lenny 'Something killed
them. It was a moon
rock, it went really fast.
It was on fire'

Jesse 'A T-Rex has
really long, sharp
teeth. It eats meat.
A spinosaurus eats
fish and swims'

Our classroom has been turned into a world of dinosaurs.

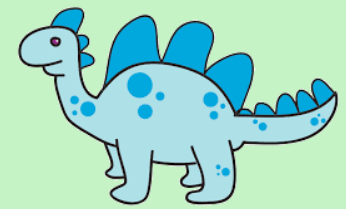

We have been exploring the classroom to find out about dinosaurs.

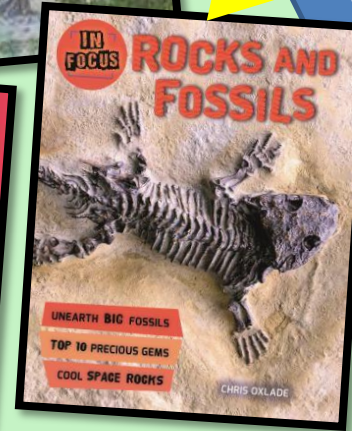

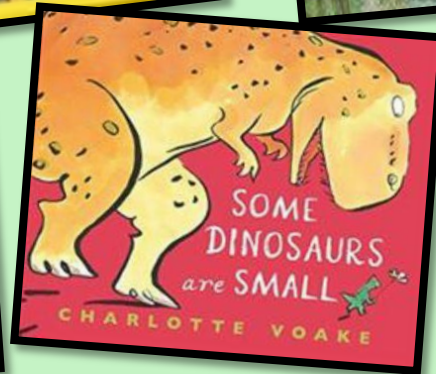

Here are some great dinosaur books you could read.

We will be looking at a lot of non-fiction books during this term.

Our favourite this week!

Gipsyville Library

Don't forget, you could visit the library to find more dinosaur books.

Anlaby Park Library
