STAGE CELEBRATE...

HAPPY CHINESE NEW YEAR

新年快乐

Mrs Wilkinson told the children all about Chinese New Year and how it is traditionally celebrated. Whilst they were carefully listening...

...we got our Chinese 'restaurant' ready so that the children could try some Chinese food.

They could try rice, noodles, sweet & sour sauce, prawn crackers and fortune cookies.

Can you see
the different
types of food?
We even tried
to eat them
with traditional
Chinese
chopsticks!

noodles

sweet and sour sauce

rice

prawn cracker

Some people found it easier than others...

It was a real banquet and we all loved trying new things together.
