

Week beginning 24th February 2020.

This week in F2...

On Tuesday we had pancakes for our snack for Pancake day. We got to choose what toppings we had on our pancakes- they were really yummy!

This week in Maths the children have been working really hard to solve different number problems by finding one less than.

In Literacy the children have been learning all about rhyming words.

We have also been talking about the weather this week and what we need to wear to keep warm.
