

Week beginning 2nd March 2020

Another busy week...

The squirrels and foxes have been comparing quantities using language more and less. Our focus book this week is 'One ted fell out of bed'.

The hedgehogs have been listening to different sounds and matching sounds, using the language quiet, loud, low and high. They have been working with numbers to 5. Our focus book this week is 'Dinosaur Dinosaur'.

We dressed up for World Book Day which was a character from our favourite book. We talked about our character and why we liked the story.

Library Day is Tuesday. Please bring your book on that day to choose another one.

Please remember to bring your home school diaries so we can share your news with others.
