

Week beginning 14th September 2020.

Our first week in FI

What a lovely first week in FSI. We have focused this week on getting the children settles into our FI setting, and exploring our FI setting. We have been really lucky to have lots of fun in the sun in our outdoor area.

We are so proud of how well the children have settled. We have been talking about our feelings using 'The Colour Monster' story.

We have a busy week next week. We will be starting to talk about our families and who is special to us. Please can you upload a picture of your child's immediate family to their tapestry account. We will be printing these pictures to go in a photo album in our home corner.

On Thursday (24th) we will be having a dress up day of 'People Who Help Up' please come dressed as someone who helps us, this could be a doctor, nurse, builder, Postman etc.
