

Week beginning 21st September 2020.

Our first dress up week....

We have had a lovely week in FSI. We really enjoyed our dress up day, on Thursday. Some of us were very confident and were able to talk about who we had come dressed as and what they did to help.

This week we had our first PE lesson, where we enjoyed playing some relay games and learnt how to 'drive' our police cars including going around round-a-bouts and bumping over speed bumps!

Next week, we will be starting our phonics lessons and using the book *The Enormous Turnip* in our stories for talking sessions.

Our Topic work will focus on the similarities and differences in families and talking about our families. Over the weekend, please talk to your children about their family and who is important to them. Please upload as an observation on tapestry to share anything with us. Have a lovely weekend.
