

## Year 3/4 Autumn Term 2019

Welcome to the Autumn term in Y34! We are so pleased to welcome all of our children back after not seeing so many since before lockdown. We would like to thank you all for your effort in keeping children learning from home and we have loved seeing the fantastic work children have produced during this time. We are very excited about getting back to learning and have planned some great activities this term.

<p><b><u>General:</u></b></p> <ul style="list-style-type: none"><li>• We have had one staffing change this year with Mr Morgan joining to be the Y34 phase leader this year, replacing Miss Stathers who is now the KS1 Phase leader.</li><li>• As the weather becomes colder, please ensure your child is dressed warmly for the classroom as windows will remain open for ventilation purposes. All children will need a school jumper. A vest layer is advisable and girls wearing skirts should wear tight or leggings underneath.</li><li>• Water bottles: If your child has a packed lunch with a drink, could you please send an additional bottle of water to use in the classroom to avoid bottles being lost or left on the trolley. Also, while juice, cordial and flavoured water is allowed during lunch, classroom bottles should only contain water.</li><li>• End of the day: Thank you for your patience at the end of the day. Staff are still getting to know the faces of our parents, which can make collection slow at times, but this will get better with time – thanks for your co-operation.</li></ul>
