

Week beginning 21<sup>st</sup> September 2020.

# Our first dress up week....

This week has flown by in F1, we have been so busy.

This week in maths we have learnt '5 little speckled frogs' and we have been practising singing this in our continuous provision with our props.

Thank you to all parents for providing wellies, as messy and wet play is definitely a favourite for most.

In our topic this week we have been talking about our family and spotting similarities between our families.

This week we have started our Early Talk Boost program and introduced Tizzy the Tiger to our classrooms. t

Next week, we will be looking at how we are different from each other. E.g. eye colour, hair colour, hobbies etc.
