

Week beginning 28<sup>th</sup> September 2020.

## Fun, fun, fun!

It's been another week full of fun! Most of the children have continued to surprise us with their ability to follow the school rules and take on board the routines of the Foundation Stage. They have continued to learn about People Who Help Us, focussing on all the staff who work in school.

In Maths we have studied the number 1. It may sound like a simple task but there is so much to learn about it; from recognising numbers of objects, shapes with one side, one pence pieces and singing songs about the number 1.

The children are now working well at using actions to retell the story of The Gingerbread Man and have also worked hard at ordering the events of the story.

Once again, can we please request that all the children have a pair of wellies that can be kept in school. As of Monday, they will NOT be able to play outside if they do not have any. Thank you.
