

Week beginning 5th October 2020.

What a messy week.....

Huge thanks to all of our parents for supporting the muddy puddle walk for Save the Children. The children really had a fabulous time, it was lovely to see the children having so much fun and jumping in the puddles laughing with their friends. Thank you for being so understanding on just how messy our children got!

This week we have been talking about differences, and looking how we are all different from each other, and how we are all special.

In maths we have learnt a new song this week, 5 little elephants. Even Mrs Sanford didn't know this one at the beginning of the week.

We have been on lots of listening walks this week seeing what we can hear inside and outside.
