

Week beginning 12th October 2020.

Another busy week....

Another lovely week. We have really enjoyed looking at the story 'Once There Were Giants' and talking about how we have grown from being a baby to a child. We are going to continue with this next week as we have really enjoyed it.

In maths, this week we have been learning one to one correspondence, for example one pen lid is needed for one felt tip.

In phonics, we have moved on to aspect 2, which is instrumental sounds. We have been listening really carefully to distinguish between different sounds.

Next week, we have our autumn day on Thursday. We have asked if children can come dressed in autumn colours and it would be great if they could collect leaves on their way to school.
