

# The last week of this half term.....

What a lovely last week of term we have had. We have had a busy week learning about autumn.

We really enjoyed coming to school dressed in our autumn coloured and doing some fabulous leaf painting, which are going up on display in our setting.

We wish you are a wonderful half term. We hope you all enjoy Halloween and would love to see some photos of what you get up to this week.

We would like to take this opportunity to thank our wonderful parents for all of your support this half term.

When we return we will be having a bonfire week. We are looking forward to having a special 'Wow' day on Thursday to celebrate bonfire night in school.
