

Week beginning 2nd November 2020.

Bonfire fun!

This week the children have been great Historians and have found out about the history of Bonfire Night and Guy Fawkes. They have created some super firework pictures, taken part in firework dancing and talked about their senses (with regard to fireworks and food that might be eaten at this time). Thursday's special day was a great success. The children loved making their own 'sparkler biscuits' by dipping a chocolate finger biscuit into warm (not boiling) water, then straight into sprinkles.

They talked about how they tasted and continue to develop their vocabulary all the time, as well as using full sentences.

In Maths we have been learning all about comparing amounts, identifying which group has more and which group has less. They have also been learning lots of facts about the number 3.

Thank you for your continued support during these difficult times. Stay safe and healthy.
