

Week beginning 9th November 2020.

# A Wonderful Week in F2

Once again we've had a great week. The children have loved learning the story of Little Red Riding Hood, have worked hard at ordering the events of the story and have discussed the good and bad characters! In Maths we have continued to learn all about number 3 and are becoming more confident with all the pairs of numbers that make 3 ( $0+3$ ,  $1+2$ ,  $2+1$ ,  $3+0$ ) and using 'part-part-whole' in our sessions.

Our special days of Remembrance and Children in Need were also a great success. The children enjoyed taking part in various activities; making poppies using various materials and giving Pudsy Bear his spots in Maths. Stay safe and have a happy weekend everyone.
